

REMARKS

Claims 1-15, 40, and 41, are pending. Claims 16-39 and 42-86 have been canceled. Applicants reserve the right to pursue the subject matter of the canceled claims in one or more continuing (*e.g.*, continuation or divisional) applications.

As requested by Examiner Shameem, claim 1 and its dependent claims 5, 9, and 11 have been amended to delete the phrase “linear or branched C<sub>1-6</sub> alkyl group” from the definitions of R<sup>5</sup> and R<sup>6</sup> (or R<sup>14</sup> and R<sup>15</sup> in claims 9 and 11). Claim 41 has been amended to replace “Medicament” with “Composition.” Support is found, for example, on page 35, lines 7-8 of the specification: “The composition of the medicament...” Withdrawn claims 16, 42, and 65 have been canceled.

Applicants and their undersigned representative are thankful for the courtesies extended by Examiner Shameem.

CONCLUSION

In view of the above amendments and remarks, claims 1-15, 40, and 41 are believed to be in condition for allowance. Acknowledgement of the same is respectfully requested.

Respectfully submitted,  
BANNER & WITCOFF, LTD.
